Thank you for visiting the Scott Arboretum of Swarthmore College, where we are committed to implementing a sustainable parking and transportation program--one that avoids, as much as possible, building new parking structures on existing green space. To do this, we need to better understand our parking demand.

The Arboretum grounds are open every day dawn to dusk; admission is free. The Arboretum Offices are open Monday through Friday, 8:30 am to noon and 1:00 to 4:30 pm.

For more information, please call the Arboretum Offices at 610-328-8025 during business hours or visit our website anytime at [www.scottarboretum.org](http://www.scottarboretum.org).
